**Re: *United States v. Orlando Carmona Serrano, a/k/a "The Barber,"*  
S10 16 Cr. 387 (JMF)**

Dear Judge Furman:

The Government respectfully writes to request that the Court unseal the above-referenced indictment, S10 16 Cr. 387 (JMF). We have been advised that the defendant named in the Indictment has now been arrested in Puerto Rico and is currently in custody. For the Court's information, the Government does not anticipate that this arrest should affect the current October trial date for the other defendants in this action. Because we do not know when defendant Carmona Serrano will arrive in the District, and because the Indictment does not charge Carmona Serrano with racketeering, the Government anticipates that it will likely propose to try Carmona Serrano separately from his co-defendants.

Application GRANTED. The Clerk of Court  
is hereby directed to unseal the above  
mentioned indictment. SO ORDERED.

Respectfully submitted,

AUDREY STRAUSS  
United States Attorney
